Speedcubing Canada Championship Eligibility Policy

Uses of the words “must”, “must not”, “should”, “should not” and “may” match RFC 2119.

Speedcubing Canada’s Board of Directors reserves the right to modify this document if a majority of not less than two-thirds (2/3) of Speedcubing Canada’s Board of Directors vote in favour of the modification.

Scope

- This policy applies to Regional Championships and Provincial Championships recognized by Speedcubing Canada (SCC), including their Quiet (“Please Be Quiet”) editions.
- Canadian Championships are out of scope: eligibility for national titles is set by the WCA Regulations.

Open Podium and Resident-Specific Titles

- **Open podium**: first, second and third place in each event, and any accompanying awards or prizes, are open to all competitors regardless of residency.
- **Resident-specific titles**: the titles of Regional Champion (e.g. “2026 Prairies Champion”) and Provincial Champion (e.g. “2026 Ontario Champion”) are granted only to competitors with an Eligible Residency (see below).
- Title eligibility is based on residency, not citizenship.

Regions and Provinces

Region	Provinces and territories
Atlantic	Newfoundland and Labrador, Prince Edward Island, Nova Scotia, New Brunswick
Quebec	Quebec
Ontario	Ontario
Prairies	Manitoba, Saskatchewan, Alberta
British Columbia	British Columbia
Territories	Yukon, Northwest Territories, Nunavut

- A competitor residing in a province or territory is a resident of that province or territory and of the region that contains it.

Declaring Residency

- To be eligible for a resident-specific title, a competitor **must**:
    - have a WCA account linked to their WCA ID;

    - log in to speedcubingcanada.org with their WCA account; and
    - set their home province or territory on their SCC profile.
- A competitor **must** only declare a province or territory where they live at least 50% of the year.
- Competitors who are not Canadian residents, or who prefer not to declare a province or territory, **should** select “N/A”. They are not eligible for resident-specific titles.
- A competitor may change their declared province or territory at most once every 12 months.

Residency Deadline

- Each Regional or Provincial Championship has a Residency Deadline.
    - Unless SCC’s Board of Directors sets another deadline, the Residency Deadline is 00:00 local time on the first day of the competition.
    - A Residency Deadline other than the default **must** be announced on the competition website.
- The province or territory on a competitor’s SCC profile at the Residency Deadline is their Declared Residency for that championship.
- A competitor has an Eligible Residency for a championship if their Declared Residency is within the championship’s province (Provincial Championship) or region (Regional Championship), subject to Locked Residency below.

Locked Residency

- Regional and Provincial Championships are locked separately. Quiet editions share the lock of their tier.
- The first Regional Championship in a calendar year at which a competitor has an Eligible Residency becomes their Locked Residency for Regional Championships for the rest of that calendar year. The same applies to Provincial Championships.
- Once a competitor has a Locked Residency for a tier, they are only eligible for resident-specific titles at championships of that tier matching their Locked Residency for the rest of the calendar year, even if they move and update their declared province or territory.
- Attending a championship without an Eligible Residency does not lock a competitor’s residency.

Example

- A competitor declared as residing in Ontario attends the Quebec Championship. They are not eligible for the Quebec title, and their residency is not locked.
- The competitor moves to Alberta and updates their declared residency to Alberta. They attend the Prairies Championship and are eligible for the Prairies title. Prairies becomes their Locked Residency for Regional Championships for the rest of the year.
- The competitor moves to British Columbia later that year and attends the British Columbia Championship. Their Locked Residency remains Prairies, so they are not eligible for the British Columbia title that year.

Determining Champions

- For each event, the champion is the competitor with an Eligible Residency who reached the furthest round, ranked by their placement in that round.

    - If an eligible competitor reaches the final, this is the best-placed eligible competitor in the final. Otherwise, it is the best-placed eligible competitor in the last round any eligible competitor reached.
- Competitors with a DNF or DNS as their best result in a round are not considered for that round.
- If eligible competitors tie for the winning placement, each of them is granted the title.
- If no competitor with an Eligible Residency has a valid result in an event, the title is not granted.

Proof of Residency

Requirement

- Every Regional or Provincial Champion **must** provide proof of residency to keep their title.
    - Proof of residency **should** be presented at the competition.
    - If proof of residency is not presented at the competition, it **must** be provided online within 7 days after the last day of the competition.
    - If proof of residency is not provided in time, the title is revoked and offered to the next eligible competitor, who then has 7 days to provide proof of residency if they have not already done so.
- Proof of residency **must** show the competitor's Declared Residency at the Residency Deadline.
- Proof of residency may be:
    - proof of residency for the competitor; or
    - proof of residency for the competitor's parent or guardian, with a statement from the parent or guardian that the competitor lives with them.

Valid Documentation

Pre-approved forms of proof of residency include:

- Provincial or territorial driver's licence or photo identification card (must be current)
- Provincial or territorial health card showing a home address (must be current)
- School, college or university identification card, with either an expiry date in the future or, if it has only an issue date, issued within the last 4 years
- School, college or university transcript or report card (issued within the last 6 months)
- Utility bill (issued within the last 90 days; mobile phone bills are not accepted)
- Residential lease (must be current)
- Vehicle registration (must be current)
- Home, tenant or vehicle insurance policy (must be current)
- Mortgage or bank statement (issued within the last 90 days)
- Property tax bill or property assessment notice (issued within the last year)
- Canada Revenue Agency Notice of Assessment (for the most recent tax year)

Competitors, parents or guardians who wish to present another form of proof **should** contact the competition organizers before the competition to request an exception. SCC may accept or refuse other forms of proof at its sole discretion.

Verification

- Proof of residency is verified by an SCC event coordinator at the competition, or by SCC's Board of Directors.
- Before the competition, the SCC event coordinator may ask top-ranked competitors to provide proof of residency in advance. This is optional; competitors may always present proof at the competition instead.
- Proof of residency provided online is sent through a channel provided by SCC.
- SCC's Board of Directors may review any verification decision, and may revoke a title for lack of valid proof of residency.

Privacy

- At the competition, the SCC event coordinator records the verification but does not keep a copy of the document.
- Documents provided online are only accessible to SCC's Board of Directors and the SCC event coordinator for the competition. They are deleted once the verification is recorded.
- For each verified competitor, SCC records:
    - the competitor's name and WCA ID;
    - the type of document presented;
    - the document's issue or billing date and expiry date, if applicable;
    - the parent or guardian's name and their statement that the competitor lives with them, if applicable; and
    - the name of the person who verified the document.

Misrepresentation and Disputes

- Concerns about a competitor's declared residency **should** be sent to board@speedcubingcanada.org.
- SCC's Board of Directors reserves the right to revoke a resident-specific title from a competitor who misrepresented their residency.
- SCC's Board of Directors reserves the right to correct a competitor's declared residency and to restrict individual(s) who do not comply with this policy, in accordance with Speedcubing Canada's By-Laws and Policies.
